

Childcare Needs-Based Tuition Scholarship Eligibility Criteria

1. Park City resident (84060 zip code)
2. Children up to kindergarten [eligibility age](#) (children are eligible for kindergarten if they have turned 5 before September 2)
3. Household income of less than 100% of Summit County's [Area Median Income](#)
4. Child enrolled in a regulated [child care provider](#) located within Summit County
5. Households must contribute 10% of the household income to childcare per month (this is the total contribution, not per child)

The amount of the needs-based scholarship is determined on a case-by-case basis. In addition to the family contribution and any DWS subsidy, the Park City needs-based scholarship will ensure that the combination of the family contribution and any DWS subsidy equate to the greater of the actual cost of tuition or \$1700 per month. To see a potential estimate of the amount of the needs-based scholarship, please visit [this calculator](#).
